EXHIBITION EVALUATION CHECKLIST

ITEM	YES	NO	ACTION
Introductory panel gives clear summary of the exhibition			
Exhibition sub-themes are clearly defined			
Labels follow newspaper style – headline, summary paragraph, body text (hierarchy of information for strollers, strollers and students)			
Panels are not overcrowded (information, images)			
Exhibition layout not crowded (is there room for a school? Room to view?)			
Text lengths are appropriate			
Are font sizes large enough for easy reading?			
Panels are at a readable height			
Images are large enough to attract a viewer			
Text is appropriate for the target audience			
Is the design style of the exhibition attractive?			
Is the display well lit? Can objects, images and text be viewed without strain?			
Is there a good mix of visuals, text and objects?			
Is there an interactive component?			
Are original objects clearly distinguished from props?			
Is there somewhere to sit?			
Humour? Surprises? Contrast?			
Is there material for schools?
